SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

The Segway® Personal Transporter (PT) is part of the mobility equation - SegVator™ is the other part

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Loads/unloads your Segway® PT in less than 30 seconds – no lifting required

- Rugged, compact & simple design – extends less than 32” rear of hitch receiver

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Safely secures automatically without tie-down straps via locking arms
- No ramps or hoists needed – drive on/off
- Works with a variety of Segway® PT models and tire combinations

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Fully lowered position – drive on/off with ease

- Fully raised position – allows ample ground clearance

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Charges your Segway® PT while you drive with built-in power inverter & cord

- Uses standard round 7-way (RV style) trailer electric plug

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

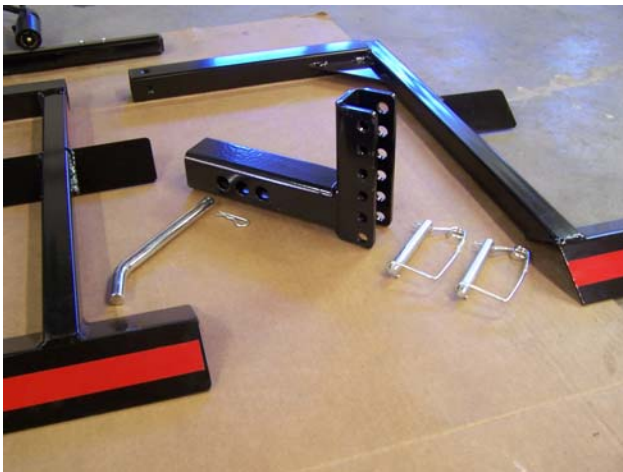

- Easy to ship, install & remove – single version weighs about 50 pounds
- Built-in lights for nighttime load/unload assistance
- Easy to use up/down toggle switch

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Adjustable pin height for use with multiple vehicles

- Uses standard 2” receiver hitch – 1 ¼” available as special order

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- SegVator™ can easily be “tilted” back for rear door access

- In vertical “stow” mode, SegVator™ extends only about 8” beyond hitch receiver

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Segway® PT cover will work with SegVator™ on all models except XT

- XT cover available from SegVator™ as an option

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Dual SegVator™ conversion kit for transporting multiple Segway® PT's
- Converts single to dual and back again in seconds
- Can be added whenever needed

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

- Dual SegVator™ outside carry arms can be put in “stow” mode or removed completely when transporting only one Segway® PT
- Dual SegVator™ will charge both Segway® PT’s while you drive

Additional Options

- Stainless steel locking receiver hitch pin
- Lighted dash toggle on/off power switch for added security - the Segway® PT cannot be easily removed from SegVator™ (except with emergency crank handle) with the power off
- High lift version (18” lift height) for increased ground clearance – can accommodate additional heights to your requirements as special orders

SEGVATOR™

THE ELEVATOR FOR YOUR SEGWAY® PT

Easy access to rear glass with handle bars lowered
